2. The AS-4 high power keyer which was damaged at [Redacted] has
been returned to the contractor. He will assess the extent of the
damage and the repairability of this equipment. In the meantime,
[Redacted] will ship a new keyer the second week in October for our use.
Depending upon the keyer damage and our requirements to obtain the
second keyer, it may be necessary to work out the purchase of this
keyer with [Redacted]. A new keyer costs approximately \$8,000.00.

3. The contractor is submitting a request for \$50,000.00 to
cover the work which has been done and work that will have to be done
in the future. Approximately \$30,000.00 of this \$50,000.00 covers
AS-6 work that had been done.
